Handsop Yellow

Description

Hansop Yellow is a powerful, solvent-free hand cleaner for the removal of even the most stubborn dirt from your hands. The addition of skin protectants helps keep your hands soft. The product has a citrus fragrance and is both solvent-free and pH-neutral.

Application

Hansop Yellow is safe to use and removes oil, grease, tar, printing ink, resin, surplus paint and glue and other dirt from your hands. Apply the cleaner to your hands and rub it in. Then rinse it off with water. Hansop Yellow can also be removed using a (dry) cloth. If used normally, the 4L-cartridge is enough for 800 washes.

Available packagings

32316
4 L cartridge

34478
4,5 L pot
