Ice Cooler

Description

Ice Cooler is a silicate-free, ready-to-use long life coolant. The product is based on Mono Propylene Glycol (MPG). Its special formulation gives it the following properties:

- Outstanding protection for all metals
- Does not affect water pump seals and seals
- Guarantees a long service life
- Reduces freezing point
- Prevents overheating and reduces the operating temperature
- Constant power delivery
- Non-toxic
- Biodegradable
- Frost protection down to -26°C Ice Cooler is ideally suited for extreme Off Road use.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.

Typicals

Density at 15 °C, kg/l	1,037
Crystallizationpoint: 45 vol%, °C	-26

Available packagings

73607
2 L can
