### VatOil Syntrag GL-4/5 75W-90

#### Description

SynTrag GL-4/5 75W-90 is a high performance, synthetic enriched gear oil. It is specially formulated to provide protection against wear and corrosion. The SynTrag GL-4/5 75W-90 properties:

- Excellent resistance against corrosion
- Smooth lubrication under hot and very cold temperature conditions
- Enhanced lubrication
- Day-to-day driving in summer and winter
- Sound absorbing properties
- Lower fuel consumption
- Easy shifting over a wide temperature range

#### Application

SynTrag GL-4/5 75W-90 is suitable for use in modern transmissions, axles and transaxles where the manufacturer specifies an API GL-4/5 type of lubricant. Always check the product recommendation database for the right application.

#### Specifications

API GL-4/5

MIL-L-2105

VW 501.50

#### Typicals

|                                      |       |
|--------------------------------------|-------|
| Density at 15 °C, kg/l               | 0,874 |
| Viscosity 40 °C, mm <sup>2</sup> /s  | 83,80 |
| Viscosity 100 °C, mm <sup>2</sup> /s | 15,20 |
| Viscosity Index                      | 192   |
| Flash Point COC, °C                  | 182   |
| Pour Point, °C                       | -48   |

#### Available packagings

50095  
1 L bottle

50096  
20 L can

50163  
60 L drum

50164  
210 L drum
