VatOil SynGold (P)HEV 5W-20

Description

SynGold (P)HEV 5W-20 is a premium engine oil. This 'Low viscosity' engine oil is formulated with Fuel Economy technology. Advanced HC-synthetic base oils and the latest generation additive technology give SynGold (P)HEV 5W-20 the following properties:

- Safe lubrication film at very high temperatures
- Lower fuel consumption
- Very strong protection against wear, corrosion and foaming
- Very good detergency and dispersion power
- Smooth cold start

Application

SynGold (P)HEV 5W-20 is a premium fuel economy motor oil recommended for use in petrol engines of passenger cars and vans with extended oil drain intervals. Always check the product recommendation database for the right application.
