VatOil SynGold MSP-P 0W-30

Description

SynGold MSP-P 0W-30 is a fuel saving, fully synthetic engine oil. The product has the following properties:

- Low-Ash level, extending the lifespan of the cars emission control
- Less friction, fuel economy with lower CO2 emission
- Extreme protection, strong oil film protects the engine against wear and corrosion
- Fluidity at low temperatures, cold start performance

Application

SynGold MSP-P 0W-30 is a fuel economy motor oil recommended for use in petrol and diesel engines of passenger cars and vans with extended oil drain intervals. Due to its Mid SAPS additive content this product can be used in vehicles with modern three way catalysts and diesel particle filters. Always check the product recommendation database for the right application.
