VatOil Antifreeze LL 12 EVO

Description

Antifreeze LL 12 EVO is a premium Long Life antifreeze, specially developed for new generation cooling systems of modern downsized engines. The patented LOBRID PSi-OAT additive technology guarantees excellent and long-term corrosion protection and long-term stability. This product has a very high acid-neutralising capacity, allowing very long change intervals. Antifreeze LL 12 EVO is completely free of amines, nitrites, borates and 2-ethylhexanoic acid.

Application

Antifreeze LL 12 EVO is a modern, fluorescent pink, Long Life antifreeze. The product has been specifically developed for the current generation of VAG models where VW prescribes a G12 EVO quality. Antifreeze LL 12 EVO is fully backwards compatible and also fully miscible with older VAG antifreeze types (G13, G12++ , G12+).

Specifications

ASTM D3306

JIS K 2234

CNH JIC-501

Cummins 85T8-2

Deutz DQC CA-14

DTFR 29C120 / 29C100
