# Specialsynth MSP 5W-40

#### Description

Specialsynth MSP 5W-40 is a versatile synthetic 'High End' motor oil, developed in line with the latest technologies. Thanks to a modern and carefully balanced Mid SAPS package of additives and a premium, synthetic base oil, the product achieves the following properties:

- Fuel saving
- Superb protection against wear
- A quick cold start
- Compatible with particulate filters and catalytic converters
- · Compatible with engines from the previous generation, which makes the product suitable for universal use
- Suitable for extended oil change intervals, if supported by the vehicle manufacturer

#### **Application**

Specialsynth MSP 5W-40 is a premium synthetic motor oil for cars and vans. The special Mid SAPS formula means that this product is suitable for the latest generation of petrol and diesel engines with and without a particulate filter. Consult the product advisory database for the correct application.
