Classic Gear ZC 90

Description

Classic Gear ZC 90 is a mild SAE 90 transmission oil with extreme pressure protection that is suitable for classic transmissions. Modern transmissions oils are frequently low-viscosity oils and are significantly less suitable, or unsuitable, for use in the transmissions of classic vehicles. That is why Kroon-Oil has developed Classic Oils. A complete range that is tailor-made for use in classic vehicles. Premium mineral base oils and carefully selected additives provide Classic Gear ZC 90 with the following properties:

- Outstanding lubrication properties
- Good resistance to corrosion
- Mild EP properties
- Compatible with bright metals such as copper, bronze and brass
- Compatible with classic seals and rubbers
- Good resistance to foaming

Application

Classic Gear ZC 90 is a mineral SAE 90 transmission oil. Suitable for light to medium load manual transmissions and other transmissions in classic vehicles that require a mild, single-grade oil with extreme pressure protection that meets the API GL-3 specification. Classic Gear ZC 90 is also suitable for manual transmissions in classic Alfa Romeos, Fiats and Lancias that require an OlioFiat ZC 90 transmission oil.

Specifications

API GL-3

OlioFiat ZC 90

Typicals

Density at 15 °C, kg/l	0,900
Viscosity 40 °C, mm ² /s	220,00
Viscosity 100 °C, mm ² /s	18,10
Viscosity Index	95
Flash Point COC, °C	245
Pour Point, °C	-18
Acid number, mgKOH/g	0,54

Available packagings
