Kroon-Oil Brake Cleaner

Description

Brake Cleaner is an excellent cleaner based on a solvent, and a number of additives to obtain good removing of all greasy products on different surfaces.

Application

Brake Cleaner removes brake fluid, grease, oil and other contaminants from linings of brakes and clutches. Brake Cleaner is also a good help to degrease electrical and magneto contacts (e.g. ignition, contact points and fouled spark plugs) and cleaning many other engine parts such as carburetors.
