Putoline Action Fluid Bio

Description

Action Fluid Bio is a high-grade, biodegradable foam air filter oil. The product is suitable for all high-quality, dual layer, open pore, foam air filters. It can be used after cleaning with Action Cleaner Bio.

Only use in a well-ventilated area, preferably in the open air. Wear protective gloves and safety glasses!

Action Fluid Bio is the No. 1 choice of Grand Prix teams worldwide!

Application

Please note! Use Putoline Action Fluid Bio only to oil a foam air filter that has been cleaned with Putoline Bio Action Cleaner in order to prevent, among other things, discolouration due to chemical reactions.
