Putoline Carb Cleaner

Description

Carb Cleaner Spray is a universal carburettor and injection cleaner. The product is formulated with a complex blend of special solvents and has the following properties:

- Removes paint and rubber deposits from choke valves, throttle needles and jets
- Eliminates uneven idling and cutting-out
- Restores engine efficiency
- Reduces fuel consumption Carb Cleaner Spray is recommended for cleaning all carburettor and injection systems.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!
