Putoline Contact Cleaner

Description

Contact Cleaner Spray is a cleaner for electrical components. A special additive prevents corrosion. The product is sprayed at high pressure, enabling it to access hard to reach or non dismantlable parts. Contact Cleaner Spray is suitable for cleaning and degreasing spark plugs, contact breakers and other electrical components.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!
