Putoline Degreaser RL

Description

Degreaser RL is a mineral, emulsifiable degreaser. The product is based on a highly refined solvent with the addition of selected substances. The product removes oils, greases, dirt and other contaminants from all parts of motorcycles, is non-aggressive and is not a fire risk with a high flash point of 70°C.

Instructions for use:

- Apply to the surface to be cleaned using a brush or spray
- Leave to act for 3-5 minutes
- Rinse with running water or a high pressure hose Please note! Degreaser RL or rinsing water must not be released directly into municipal sewers or surface water. Rinsing water must be passed through an oil-water separator.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.
