### Putoline HPX R 2.5W

#### Description

HPX R 2.5W is an advanced fork oil. The product is formulated from special, highly refined, synthetic base oils. The addition of the most advanced additives makes HPX R 2.5W a high-tech product for use at Grand Prix level. HPX R 2.5W fork oil prevents corrosion, oxidation, leaking seals and foaming. It is especially suitable for Grand Prix motorcycles that have to perform in cross enduro, trail, Road and Off Road.

#### Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.
