Leather Wax

Description

Leather Wax is a premium protective for leatherware. It vitalises and protects all types of leather: coloured or natural, old or new. Apply to boots, gloves, jackets and race-leathers using a brush, sponge or cloth. Then heat with a hair dryer and allow to penetrate the leather.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.
