Putoline O/X-ring Chainspray

Description

O/X-Ring Chainspray is a special chain lubricant. Its special formulation gives the product very effective resistance to high temperatures. And its penetrative and moisture-repellent properties make this chain spray particularly suitable for lubricating all rotating and difficult to reach lubrication points. O/X-Ring Chainspray has been developed for ordinary and O-/X-/Z-Ring chains. Shake well before use!

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!
