### SP Gear Oil

#### Description

SP Gear Oil is a high-grade 'total drive line' transmission oil. The synthetic formula provides outstanding protection to and proper functioning of the transmission and clutch under all temperature conditions. The product has been specially developed for gearboxes, final drives and differentials on modern Road and Off Road motorcycles, scooters and quads. SP Gear Oil is suitable for both recreational and competition use.

### **Application**

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.

### **Specifications**

API GL-4/5

### **Typicals**

Density at 15 °C, kg/l	0,874
Viscosity 40 °C, mm <sup>2</sup> /s	83,80
Viscosity 100 °C, mm²/s	15,20
Viscosity Index	192
Flash Point COC, °C	182
Pour Point, °C	-48

## **Available packagings**

70309 1 L bottle

74302 20 L Bag in Box

74113 60 L drum
