RS 75

Description

RS 75 is a racing transmission oil. The unique, fully synthetic product contains special additives that protect against shear and shock loads, which occur under extreme race conditions. RS 75 has been exclusively developed for 2-stroke and 4-stroke Grand Prix motorcycles.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.
