Ester Tech RS 959

Description

RS 959 is a fully synthetic engine oil with revolutionary Ester Tech additive. The product guarantees an exceptional film strength and pressure absorption even under the most extreme race conditions.

RS 959 is particularly suitable for premix or injection 2-stroke engines which operate in extremely severe race conditions.
Recommended mix ratio: 2-4%.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.
