Tech Chain

Description

Tech Chain (Ceramic Wax) is a modern, high-grade chain lubricant. The product consists of a unique wax formula combined with sophisticated additives, including PTFE. Tech Chain provides optimal protection to the chain under all operating conditions. Suitable for sporting and professional use on both O-ring and MX chains.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!
