### TT Scooter

#### Description

TT Scooter is a synthetic, low smoke, clean-burning, high performance 2-stroke oil. The product has the following properties:

- Minimises smoke development
- Minimises carbon deposits
- Counteracts fouling on the spark plugs
- Extends the service life of the engine TT Scooter is recommended for regular and high performance road use. It is suitable for pre-mix and injection systems. Recommended mix ratio: 2-4%.

#### Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.
