Putoline 1001 Penetrating + PTFE

Description

1001 Penetrating + PTFE is a particularly useful lubricant. The product penetrates and lubricates, displaces and repels moisture. It cleans and protects all metals. Thanks to its special formula 1001 Penetrating + PTFE can be used on, among others, motorcycles, scooters, bicycles, jet skis, boats, cars, locks, hinges, lawnmowers and for lubrication purposes in and around the home.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!
