N-Tech® Trans GP

Description

N-Tech® Trans GP is an advanced transmission oil. The fully synthetic base oils combined with the N-TECH® additive system provide the following properties:

- Excellent wear protection
- Unsurpassed clutch engagement
- Extends the service life of the clutch plates
- Has a longer service life, oil changes can be halved at least N-Tech® Trans GP contains the N-TECH® additive system and is suitable for competition 2-stroke and 4-stroke transmissions. For top performance throughout the entire race!

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.

Specifications

API GL-1, GL-2, GL-3

Typicals

Density at 15 °C, kg/l	0,842
Viscosity 40 °C, mm ² /s	34,70
Viscosity 100 °C, mm ² /s	7,00
Viscosity Index	168
Flash Point COC, °C	201
Pour Point, °C	-54

Available packagings

73608

1 L bottle
