### Putoline DOT 4 Brake Fluid

#### Description

DOT 4 Brake Fluid is a high-grade, synthetic brake fluid. The product exceeds the requirements of motorcycle manufacturers.

Instructions for use:

- Replace the brake fluid every two years to continue to guarantee correct functioning
- Only use DOT 4 Brake Fluid when specified. Please consult your user manual for the correct specifications
- Can be mixed with synthetic DOT 3 and DOT 5.1

#### Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.

#### Specifications
