White Action Grease + PTFE

Description

White Action Grease is a top quality, white/amber grease based on a lithium complex. Special additives create a durable tribofilm, very effectively reducing friction and wear.

The universal lithium complex grease is highly suited for use as a sealant between the Action Filter and the air-filter housing on all Off Road motorcycles. White Action Grease is also excellent for lubricating wheel bearings, handlebar and swingarm bearings on all Off Road and Road motorcycles, quads, scooters, karts and snowmobiles.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.

Specifications

N.L.G.I. Class 2	
DIN 51 502, KP 2 N-25	

Typicals

Density at 15 °C, kg/l	1,000
Dropping Point, °C	190
Temperature Limits, °C	-20/130
Base oil Viscosity, 40 °C, mm²/s	115,00
4-ball welding load, N	2550

Available packagings

74116
100 g tube

73611
600 g pot
