### VatOil Scooter 4T 5W-40

#### Description

Scooter 4T 5W-40 is a synthetic 4-stroke engine oil. It is produced with high quality solvent refined and synthetic base oils and additives to obtain the following properties:

- Reduces sludge on cylinder walls
- High and stable viscosity index
- Smooth cold start
- Natural resistance against oxidation
- Minimal loss of friction and thus little wear
- Very low evaporation losses

#### Application

Scooter 4T 5W-40 is suitable for the lubrication of modern 4-stroke scooters. It prevents sliding, sticking and/or rough changing of the clutch-plates. Scooter 4T 5W-40 is developed and tested in cooperation with the most important motorcycle producers and has its performance demonstrated in the field. Always check the product recommendation database for the right application.
