Kroon-Oil TefTec AS

Description

TefTec AS is a technologically advanced lubricant. It contains a high concentration of PTFE, making it suitable for regular use in all weather conditions. TefTec AS reduces friction and is moisture and dirt-repellent. It also provides excellent adhesion, good lubrication and protection of the bicycle components.

Application

TefTec AS is suitable for derailleur systems, chains, shifters, cables and other moving parts. Thoroughly clean any parts to be lubricated first using Kroon-Oil BioSol XT. Then apply TefTec AS and remove any surplus product with a lint-free cloth. Regular re-application prevents excessive wear. Shake well before use! Vanilla scented.
