Kroon-Oil BioSol XT

Description

BioSol XT is a very powerful, biodegradable degreaser. It removes oil, grease, waxing and cleaning products from metal, aluminium, titanium, carbon and plastic. BioSol XT is free from solvents and phosphates and can be mixed with water.

Application

Spray BioSol XT on the surface and brush it in with a soft brush. Leave it to work for a few minutes. Rinse with water and dry with a soft, lint-free absorbent cloth or blow it dry with air. After cleaning, grease the chain as soon as possible using one of the products from the TefTec or BioTec ranges.
