### HDX 50

#### Description

HDX 50 is a single-grade motor oil based on premium solvent-refined base oils with additives to achieve the following properties:

- Powerful detergency and dispersion
- High resistance to oxidation
- High resistance to wear, corrosion and foaming

#### Application

HDX 50 is a lubricant oil suitable for petrol engines as well as diesel engines for cars and vans working under light conditions. Not suitable for turbo diesels that require a minimum of API CD or Mil-L-2104 C/D level.

#### Specifications

API SF/CC

CCMC G2/D1

MIL-L-46152B/C

Ford M2C153-C (SF/CC)

Ford M2C9011-A

GM 6085M

#### Typicals

|                                      |        |
|--------------------------------------|--------|
| Density at 15 °C, kg/l               | 0,899  |
| Viscosity 40 °C, mm <sup>2</sup> /s  | 240,00 |
| Viscosity 100 °C, mm <sup>2</sup> /s | 18,80  |
| Viscosity Index                      | 96     |
| Flash Point COC, °C                  | 258    |
| Pour Point, °C                       | -12    |
| Total Base Number, mgKOH/g           | 3,5    |
| Acid number, mgKOH/g                 | 2,25   |
| Sulphate Ash, %                      | 0,55   |

#### Available packagings

35056  
20 L pail

20051  
20 L can

10131  
60 L drum

35698  
208 L drum
