Handy Oil

Description

Handy Oil is a mineral household oil that is acid-free thanks to intensive refining. Furthermore, the product is almost colour and odour-free. Thanks to its all-purpose nature and handy packaging, Handy Oil can be used for a range of applications. With a useful turn-and-dose cap for clean and controlled application. Turn the cap one quarter turn and squeeze a drop from the bottle.

Application

Handy Oil is a universal lubricant in handy packaging that belongs in every toolbox, bike bag or kitchen drawer. It is the ideal product for a range of tasks in and around the home. For example, Handy Oil can be used for lubricating light mechanical transmissions, hinges, Bowden (brake) cables, bearings subjected to a light load, door pins, locks or as a cleaning oil for bikes! Handy Oil is supplied in a 100 ml squeeze bottle and is entirely free of acid.
