Bicycle Oil

Description

Bicycle Oil is a premium bicycle product. It is supplemented with selected additives to achieve the following properties:

- Excellent rust and corrosion protection
- Does not affect seals and paint
- Outstanding lubrication properties

Application

Bicycle Oil is suitable for use as a lubricant and cleaning agent for nearly all moving parts on a bicycle. With a useful turn-and-dose cap for clean and controlled application. Turn the cap one quarter turn and squeeze a drop from the bottle.

Instructions for use:

Apply the product and leave to soak in for a while.
