Super 20W-50

Description

Super 20W-50 is an engine oil formulated with high quality solvent refined base oils and a number of additives. Super 20W-50 properties:

- Strong detergency and dispersion power
- Strong protection against wear, corrosion and foaming
- Optimal lubrication under a wide range of operating temperatures
- Smooth start
- High and stable viscosity index
- Strong resistance against oxidation

Application

Super 20W-50 is suitable for petrol and diesel engines in passenger cars and vans. Recommended for vehicles which operate under normal driving conditions in all seasons. The product helps keep the engine clean and the balanced multigrade properties assist in easy starting capabilities. Always check the product recommendation database for the right application.
