## Kroon-Oil Syngear HS 75W-90

### Description

Syngear HS 75W-90 is a fuel-efficient, semi-synthetic transmission oil for mechanical transmissions and drives of vans and buses. By using high-grade base oils and an advanced range of additives, the product offers the following properties:

- Effective resistance to oxidation
- Good resistance to corrosion and foaming
- A low pour point
- Good EP properties
- Excellent switching properties at both high and low temperatures
- Fuel saving

### Application

Syngear HS 75W-90 is a high-grade, fuel-efficient transmission oil. Developed for use in transmissions and other drives of Mercedes-Benz vans and buses for which a lubricant with MB 235.11 specification is required. Also suitable for transmissions that require an oil with extreme pressure protection with one of the specifications below.
