Helar SP 0W-30

Description

Helar SP 0W-30 is a fully synthetic, fuel-saving motor oil based on synthetic base oils with a naturally high viscosity index. Helar SP 0W-30 contains advanced additives created using the latest technology that have been added to achieve the following properties:

- Fuel saving
- Extremely high viscosity index and high resistance to shearing
- A smooth cold start
- Protective lubricant film at extremely high operating temperatures
- Excellent dispersion and detergency
- Very high resistance to wear, corrosion and foaming

Application

Helar SP 0W-30 is a fuel-saving synthetic motor oil, specially developed for Volkswagen cars with extended oil change intervals. Helar SP 0W-30 can also be used in 4-stroke petrol and diesel engines. Consult the product specifications in the product sheet for correct usage.
