Chain Oil

Description

Chain Oil is a high quality chain lubricant. It is specially developed for automatic chain oiler systems. The product leaves a protective, water repellent layer, which prevents the chain from corroding. The carefully chosen additives provide excellent lubrication, reduce friction and lengthen chain and sprocket life. Chain Oil is suitable for O-ring and non O-ring chains.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!
