SynGold Super 5W-30

Description

SynGold Super 5W-30 is a fuel saving, synthetic engine oil. The product has the following properties:

- Low-Ash level, extending the lifespan of the cars emission control
- Less friction, fuel economy with lower CO2 emission
- Extreme protection, strong oil film protects the engine against wear and corrosion
- Fluidity at low temperatures, cold start performance

Application

SynGold Super 5W-30 is a fuel economy motor oil recommended for use in petrol and diesel engines of passenger cars and vans with extended oil drain intervals. Due to its Low SAPS additive content this product can be used in vehicles with modern three way catalysts and diesel particle filters. Always check the product recommendation database for the right application.

Specifications

ACEA C3, C4

Meets the requirements of

Renault RN0720

MB 229.51/226.51

Available packagings

50540
1 L bottle

50541
4 L can

50464
20 L can

50465
60 L drum

50466
210 L drum
