

Product Information 01.30.81**28-04-2024****Kroon-Oil Torsynth MSP 5W-30****Description**

Torsynth MSP 5W-30 is a synthetic Mid-SAPS motor oil that has been specially developed for modern cars and vans with a particulate filter and/or new generation 3-way catalytic converter. This product's performance level is entirely in line with the officially approved product. Because the necessary field testing has not been conducted for Torsynth MSP 5W-30 we can only say that the product meets the requirements of the specified performance levels.

Application

Torsynth MSP 5W-30 is a Mid-SAPS motor oil, suitable for modern petrol, LPG and diesel engines that are no longer covered by a manufacturer's warranty. This product is also suitable for extended oil change intervals. Due to its low SAPS content this oil is also suitable for vehicles with a particulate filter and/or latest generation 3-way catalytic converter. As a result of its special formulation this product is ideal for use in cars requiring one of the following specifications.

Specifications

Suitable for use:

ACEA C2, C3
