Hand Cleaner White

Description

Hand Cleaner White is a skin-friendly, solvent-free hand cleaner for the removal of heavy dirt that arises in the automotive, construction and industrial sectors. It contains skin-friendly granules that remove the dirt in a gentle way. Hand Cleaner White also has a lubricating effect that helps keep your skin soft. Hand Cleaner White is safe to use for the removal of all heavy dirt, such as oil, grease, lubricants, brake fluid, etc. Apply the cleaner to your hands and rub it in. Then rinse it off with water. Hand Cleaner White can also be removed using a (dry) cloth. If used normally, the 4L-cartridge is enough for 800 washes.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.
