Putoline Coolant NF

Description

Coolant NF is a ready-to-use, organic coolant. Anti-corrosion additives provide excellent protection for all metals found in engines, including aluminium and magnesium. The product provides frost protection down to -38°C.

Coolant NF is suitable for all Off Road and Road motorcycles, quads, scooters, karts and snowmobiles.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.
