Kroon-Oil Brake Cleaner (AE)

Description

Brake Cleaner is an excellent cleaner and degreaser containing a volatile hydrocarbon as its main component. Supplementing the Brake Cleaner with additives assists in the extra loosening of deposits.

Application

Brake Cleaner is THE product of choice for removing brake fluid, grease, dirt and oil from brake components. In addition to cleaning brake components, Brake Cleaner can also be used as a fast, effortless cleaning method for electronic and magnetic contacts (breaker points and spark plugs) and other car components.

Available packagings

32964

500 ml aerosol
