Putoline Textile Proof & Protect

Description

Textile Proof & Protect impregnating spray can be used to make materials like textile dirt- and water resistant. Textile Proof & Protect is a clear colourless liquid. Read instructions before use.

Application

Instructions for use:

Shake before use. Apply Textile Proof & Protect on a small area/surface in order to see if the material is resistant. Spray in short intervals and periods only. Spraying distance +/- 20-25 cm. Fabric surfaces shall preferably be sprayed outdoors. Ventilate after use. Allow Textile Proof & Protect to dry before wearing the textile, clothing etc. Use on room temperature. Do not use on rubber parts and plastic, causes white stains.
