Presteza MSP 5W-30

Description

Presteza MSP 5W-30 is a fuel-saving, synthetic motor oil, specially developed for the latest generation of cars that are equipped with a particulate filter and/or a catalytic converter. The special Mid SAPS technologies extend the service life. It is supplemented with specially selected base oils and advanced additives to achieve the following properties:

- Fuel saving
- Reduced formation of combustion residues (Mid SAPS)
- A smooth cold start
- A protective lubricant film at high operating temperatures
- Extended oil change intervals
- Excellent dispersion and detergency
- Very high resistance to wear, corrosion and foaming

Application

Presteza MSP 5W-30 is a fuel-saving synthetic motor oil. Suitable for petrol and diesel engines in cars and vans. If the manufacturer so requires, extended oil change intervals are possible. The product complies with the Mid SAPS requirements by Mercedes-Benz (MB 229.51) and BMW (BMW LL-04). Highly suitable for use in the latest BMW and Mercedes-Benz models equipped with a particulate filter and for all vehicles that require ACEA C3 motor oil.
