Sport 4R 10W-30

Description

Sport 4R 10W-30 is an advanced semi-synthetic 4-stroke motorcycle oil and contains the revolutionary N-TECH® additive system. Sport 4R with N-TECH® additive technology guarantees:

- Excellent wet clutch compatibility
- Minimal engine and transmission wear
- Minimal oil consumption
- Excellent viscosity properties even at low temperatures, which significantly prevents wear on cold starts
- Excellent cleaning properties ensures long-term and optimum engine performance
- Excellent lubrication properties throughout the entire service life This semi-synthetic 4-stroke engine oil is particularly suitable for road, off road and competition motorcycles that perform under the most demanding conditions.

Application

Putoline Oil is a Dutch manufacturer and supplier of high quality oils and lubricants for motorcycles, scooters and quads only. This is what makes us unique. Almost 50 years of experience and continual research allows Putoline Oil to provide cutting edge products at the best price/quality ratio. Manufacturing our own products guarantees consistent high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.

Specifications

API SM

JASO MA2

Typicals

Density at 15 °C, kg/l	0,877
Viscosity -25 °C, mPa.s	3510
Viscosity 40 °C, mm ² /s	64,70
Viscosity 100 °C, mm ² /s	10,90
Viscosity Index	147
Flash Point COC, °C	220
Pour Point, °C	-33
Total Base Number, mgKOH/g	7,6
Sulphate Ash, %	0,85

Available packagings

74378
1 L bottle

74379
4 L can

74380
20 L Bag in
Box

74382
60 L drum

74383
200 L drum

The data mentioned in this product information sheet is meant to enable the reader to orientate himself about the properties and possible applications of our products. Although this overview is composed with all possible care on the stated date, the compiler does not accept any liability for damages caused by incompleteness and/or inaccuracies in this information, especially when these are caused by obvious typing errors. The terms of delivery of the supplier apply to all product supplies. The reader is advised, especially for critical applications, to make the final product choice in consultation with the supplier.
