Atlantic 4T 25W-40

Description

Atlantic 4T 25W-40 is a 4-stroke motor oil for outboard and inboard engines. Atlantic 4T 25W-40 is based on premium base oils, supplemented with special additives, which achieve the following properties:

- Lubrication of all engine parts
- Very powerful detergency, which ensures the engine is cleaner
- Good cold start properties
- Very high resistance to corrosion, oxidation and wear
- Outstanding shear stability

Application

Atlantic 4T 25W-40 is particularly suitable for use in high-speed, heavy-duty outboard and inboard motors. Because 4-stroke outboard motors place different requirements on motor oil, this oil is not suitable for use in cars.

Specifications

NMMA FC-W

Typicals

Density at 15 °C, kg/l	0,870
Viscosity -10 °C, mPa.s	6200
Viscosity 40 °C, mm ² /s	140,00
Viscosity 100 °C, mm ² /s	14,90
Viscosity Index	107
Flash Point COC, °C	242
Pour Point, °C	-27
Total Base Number, mgKOH/g	7,4
HTHS, mPa.s	4,20
Noack, %	5,3

Available packagings

33421
5 L can

33531
20 L pail

33530
60 L drum

33529
208 L drum
