Genuine V-Twin Gearbox Oil

Description

Genuine V-Twin Gearbox Oil is a high-grade, transmission oil. High grade base oils combined with Putoline Oil's unique additives technology provide the following properties:

- Unequaled performance
- Less wear
- Smooth gear-changing
- Optimal clutch action Genuine V-Twin Gearbox Oil has been specially developed for V-Twin motorcycles with separate lubrication for the gearbox and primary chain case.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!
