Putoline Fuel Inject & Valve Cleaner

Description

Fuel Inject & Valve Cleaner is a professional, highly effective petrol additive for cleaning the entire petrol injection system. Keeps injectors, valves and combustion chambers clean, which maintains optimal engine performance. Suitable for catalytic converters.

Application

Add the entire contents of the bottle to the fuel tank, preferably before refuelling. 1 full bottle is enough to treat up to 20 L of petrol.

Available packagings

74452

150 ml bottle
