Helar MSP+ 5W-40

Description

Helar MSP+ 5W-40 is a state-of-the-art synthetic Mid SAPS motor oil at the top of its class. The application of an advanced set of highly technological additives combined with the best quality synthetic base oils produces the following unique properties:

- Provides optimal friction properties resulting in fuel saving properties
- High technical reliability due to strong lubricating film under the toughest operating conditions
- Extremely good cleaning power and compatibility with modern catalytic converters, soot filters and particle filters thanks to Mid SAPS technology
- Effectively prevents engine wear, significantly prolonging the service life of the rotating parts
- Excellent oxidation stability, allowing long replacement intervals

Application

Helar MSP+ 5W-40 is a synthetic Mid SAPS motor oil, specially developed for premium passenger cars with high-power sports engines. The product complies with the latest motor oil specifications such as Porsche C40 and VW 511.00, which means that this product can also be used in the latest Porsche and Bentley models as well as in the Lamborghini Urus and the latest models from BMW and Mercedes. Please refer to www.kroon-oil.com for customised lubrication advice.
