Dieselfleet CD+ 15W-50

Description

Dieselfleet CD+ 15W-50 is a modern, universal motor oil. Dieselfleet CD+ 15W-50 is manufactured using high-grade solvent refined base oils, supplemented with balanced additives. This multigrade motor oil has the following properties:

- Excellent detergency prevents deposits forming in the engine
- Very good dispersion prevents the formation of sediment and sludge
- Very resistant to corrosion and foaming
- A high and stable viscosity index
- A low sulphate ash content
- High wear resistance, resulting in reduced wear of piston rings and cylinder wall

Application

Dieselfleet CD+ 15W-50 is a universal motor oil that is suitable for lubricating both petrol and diesel engines with or without a turbocharger. It can be used under high-impact operating conditions in any season. This oil is ideally suited for mixed vehicle fleets and can be used in engines such as Euro 3 and Euro 4 engines. The special composition enables longer oil change intervals when using this motor oil.

Specifications

ACEA A3/B4, E7

API CI-4/SL

DTFR 15B110

MB 228.3

Typicals

Density at 15 °C, kg/l 0,885

Viscosity -20 °C, mPa.s 6000

Viscosity 40 °C, mm²/s 134,00

Viscosity 100 °C, mm²/s 17,50

Viscosity Index 144

Flash Point COC, °C 215

Pour Point, °C -33

Total Base Number, mgKOH/g 11,1

Sulphate Ash, % 1,45

Available packagings

36936
60 L drum

32201
208 L drum

35736
1000 L IBC
