Kroon-Oil Screen Wash -20 °C

Description

Screen Wash -20 °C is a powerful ethanol-based windscreen washer fluid. It quickly cleans grime and insects from the windscreen. By supplementing the screenwash with special additives, the windscreen does not refreeze and the windscreen washer jets do not freeze over.

Application

Screen Wash -20 °C quickly and easily cleans street-grime and insects from the windscreen. The product is ready to use. It no longer needs to be mixed with water! Screen Wash -20 °C offers protection against refreezing down to -20 °C.
