Putoline N-TECH BBR+ 10W-30

Description

N-TECH® BBR+ 10W-30 is a superior 4-stroke engine oil formulated from a base oil blend of premium synthetic bio-based and re-refined base oils. The result is a low carbon footprint and less environmental impact. Also contains unique N-TECH® additives. N-TECH® BBR+ engine oil guarantees:

- Unsurpassed wet clutch engagement
- Extremely low wear rates for engine and transmission
- Very low oil consumption
- Excellent fluidity, even at low temperatures, which significantly prevents starting wear
- Engine and transmission remain very clean internally for long-term optimal engine performance
- Consistently good quality lubrication throughout the entire service life. This 4-stroke engine oil is well suited for both road and racing engines that perform under the harshest driving conditions.
